

South Yorkshire Pig Club

Examining Key Areas of Production – Farrowing House Management and Pre-Weaning Mortality and Pen Clearance Strategies with John Richardson, Production Performance Services Ltd

What: John Richardson will cover two important areas for herd profitability. Firstly he will report back from an AHDB Pork commissioned survey to look at farrowing house management in some of the higher performing UK and Danish indoor herds,. The second part of the evening will examine challenges and strategies for clearing and marketing the finished pigs, to provide those much needed empty pens.
