

## Shropshire Pig Club

### **Farrowing house management – what do the top herds do to achieve 30+ pigs weaned / sow / year? with John Richardson Production Performance Services Ltd**

**What:** John Richardson recently completed a survey of some of the higher performing UK indoor herds and a few Danish producers – one of which was rearing 37.4 pigs / sow / year. His talk this evening will cover this survey – discussing techniques that the producers found beneficial, industry differences and many other management routines:-

- What constitutes good management of the sow and litter?
- What are the similarities and differences
- Can we produce a Standard Operating Procedure?
