## How do European Pig Producers Reduce Their Antimicrobial Usage?

**What:** ForFarmers have extensive experience of how units in Europe have adapted to reduce the requirement for in feed medication and overall amount of antimicrobials used. There is an ever increasing pressure on us to do the same and so the evening will focus on the strategies they have recommended and employed.

**Date:** Wednesday 13<sup>th</sup> January 2016

**Location:** The Riverside Hotel, 123, Station Road, Surfleet, PE11 4DG

**Register:** Contact Angela Cliff on 07967 788 484 or email
