Tuesday 24th January
15.00-18.00

Exeter Racecourse, Devon
EX6 7XS

Wednesday 25th January
15.00-18.00

The **ForFarmers AHDB Pork AMR Roadshow** aims to bring together pig producers across the UK to discuss how the industry is responding to the challenge of AMR, and learn from Dutch producers on how they have responded to and learned from a reduction in antibiotic use.

Topics will also include how nutritional solutions can help in the context of a reduction in antibiotic use, the importance of water quality and other management techniques. There will also be an opportunity to ask questions on the eMB and how it works.

Speakers:

Patricia Beckers - Vet and ForFarmers Manager Nutrition & Innovation Swine

Bert Pappots - Dutch Pig Producer

Barbara Brutsaert - DVM Trouw Nutrition

Health and management solutions to reducing antimicrobial use

Lucy Coyne - AHDB Pork

Water hygiene on Farms
