Your chance to make a real difference to the future of the English pork industry

Sector Board Members – AHDB Pork

The Agriculture and Horticulture Development Board (AHDB) is looking for two pork processor levy payers and an independent allied industry member to join the sector board of its English pork division during 2018.

As a new Board member you will assist your chair in developing strategy. We are seeking industry specialists who will play an active role for the English pork industry and command the respect of their peers.

Sector board members are expected to make a time commitment of around 2 days per month and attend all board meetings, with additional requirements being agreed with the sector board chair. Appointments are for three year terms with remuneration currently payable at £256.25 per day plus expenses.

We can offer a challenging opportunity for you to contribute to the English pork industry and make a difference to AHDB. You will need to be professional, flexible and adaptable in order to support the change that is required to develop the ongoing success of AHDB Pork and AHDB.
