Breakout sessions

During the afternoon there will be a breakout session looking at current innovations. Three concurrent workshops will run, providing an opportunity for more tailored discussion and interaction.

You will be able to choose which session you attend and presentations from each will be available on the BPEX website after the conference.

Breakout group 1: Outdoor Innovations

Chaired by Stephen Winfield • BPEX

Breakout group 2: Indoor Innovations (Precision farming)

Chaired by Martin Smith • BPEX

Breakout group 3: Innovations in the supply chain (hygienic, light and odourless buildings)

Chaired by Nigel Penlington • BPEX

Tickets are not being posted out for this event, however a map and directions can be found at: www.bpex.org.uk/news/events or can be posted out on request by calling Clancy Smith on 0247 647 8792.
